LIMERICK AND CLARE ETB

Limerick and Clare Education and Training Board

Limerick and Clare Education and Training Board is a statutory body established by the Education and Training Boards Act 2013, whose function it is to establish and maintain recognized schools, centres for education and education and training facilities and services in its functional area.

The following is a summary of the education and training services that LCETB provide:

- Second level education and associated services through its 17 post primary schools.
- Post Leaving Certificate and further education courses through its dedicated Further Education College, an Outreach Centre and in PLC programmes delivered through some of its post primary schools.
- Youthreach and VTOS programmes through centres across both counties
- Adult Education Services to communities across the two counties
- A wide variety of Vocational Training programmes in two training centres
- Music Education

The goal of LCETB is to provide, through its educational services, an empowering experience that contributes to personal development, social cohesion and economic prosperity.
