

## Core ESS Portal

The Core ESS Portal goes Live this month.

The introduction of **Core ESS Portal** will give all employees access to online **Payslips and P60's** among other data. The intention is that LCETB will cease issuing Payslips in paper format at the end of 2015.

### Activate your Portal account

To start using the Core ESS Portal, have your most recent Payslip to hand. All the information you require is on this.

- Go to this website [https://portal.etb.ie/pls/coreportal\\_lcetblive](https://portal.etb.ie/pls/coreportal_lcetblive)
- Click on "Register for an account"
- Enter your PPS No
- Enter your Employee No
- Enter your Token - see below

### Where to find your Token Key

You should find a message at the bottom of your Payslip reading "**Your ESS registration PIN is XXXXXXXX**".

*Please note the Token only appears on your most recent Payslip*

The screenshot shows a web browser window titled "Registration". Inside the window, there is a blue information box at the top with a speech bubble icon containing an 'i'. The text in the box says: "To register complete this simple form and select register, once registered you will receive an email confirmation." Below this box is a registration form with three sections, each with a label and a text input field. The first section is labeled "PPSN" and the input field contains the placeholder text "your PPSN is available on your payslip or P60". The second section is labeled "Employee Number" and the input field contains the placeholder text "your employee number is available on your payslip". The third section is labeled "Token" and the input field contains the placeholder text "your private token is available on your payslip". At the bottom of the form, there are two buttons: "Previous Step" with a left-pointing arrow and "Next Step" with a right-pointing arrow.

**Registration**

## Common Portal Queries

**Q. Can I change my Password?**

A. Yes, you can change your Password using the change password functionality

**Q. When is my payslip available?**

A. You can check your payslips at any time

**Q. Does the Online Payslip service time out?**

A. Yes, for security reasons the service will terminate if inactive for a certain number of minutes.

**Q. How far back are they available?**

A. Archived payslips will be available based on the history contained within the Core|Pay module.

**Q. Is the Online Payslips system secure?**

Yes, this service is deployed using SSL (secure socket layers), an industry standard for encrypting data transmission over networks. When the Online Payslip service is activated, you will be using your own network password to log into it. This will mean you do not have another password to have to remember. **Remember** - it is imperative that you keep your password confidential and secure.

**Q. Will Banks and Financial Institutions accept a printed version of my Online Payslip as proof of payment?**

Yes, Banks and Financial Institutions will accept a print out of the online payslip as proof of payment.

**Please note that once you register, you will no longer receive a paper payslip.**
